*OUR MISSION* is to build a strong US women's movement dedicated to ending the US government blockade of Cuba and to creating mutually beneficial US–Cuba relations; our work is rooted in the concept of universal human rights, racial and economic justice, and women's rights.

## OUR CURRENT CAMPAIGNS

- ❖ **Promoting the Right to Travel:** Help us lift the travel ban and break the information blockade for U.S. citizens.
- ❖ **Educating About the Reality of Cuban Women's Lives:** Learn about impressive advances of the Cuban women's movement, and impacts of U.S. policy on the lives of Cuban women and children, including families of the Cuba Five who are unjustly imprisoned in the U.S.
- ❖ **Advancing Global Feminisms:** Join us as we learn how to share the lessons of global women's networks to advance the status of women both locally and globally.
- ❖ **Organizing Women's Delegations to Cuba and Venezuela**
